Empower Women, Transform Politics

## Indira Fellowship - List of Fellows for Cohort 1

The Indira Fellowship is a transformative program dedicated to empowering women leaders and changemakers who are passionate about driving positive change in society. The Indira Fellowship Program believes that women empowerment and equal opportunity for women can only be attained through the political participation of women. Named after the legendary leader, Indira Gandhi, this fellowship is designed to provide a platform for exceptional women who aspire to make a lasting impact in their communities and beyond, empower women, promote gender equality and to create a more inclusive and representative political landscape
